Melco announces Macau-first pop-up store initiative exclusively for local Small and Medium Enterprises

Macau, Wednesday, November 13, 2019 – Melco Resorts & Entertainment announces it will host a Macau-first pop-up store initiative exclusively for local Small and Medium Enterprises (SMEs) at Studio City in 2020. It serves as a continuation of the Melco philosophy to create and support the growth of local SMEs. Demonstrating Melco’s ongoing and steadfast commitment to SMEs, the scheme provides rent-free retail spaces and essential operational resources to participating SMES subsidized by Melco for optimized revenues through the marketing and selling of their products and services directly to Studio City’s visitors, tourists and shoppers.

Mr. Geoff Andres, Property President of Studio City, said, “Melco is firmly committed to supporting local SME business development in Macau. As announced earlier this year, we have been planning a series of further initiatives to continue establishing detailed dialogue and understanding between ourselves and local SME businesses. We are pleased to introduce the forthcoming Macau-first pop-up store initiative at our Studio City property to provide support and contribute to the advancement of local small and medium-scale businesses and look forward to working in collaboration with our local vendors towards the sustainable development of Macau.”

Melco continues to plan and implement numerous campaigns to support local SME development, including the forthcoming Studio City Christmas Bazaar, Macau-first pop-up store initiative, and the ‘Knowing You, Knowing Us’ campaign. Each of these initiatives aim to create a communications platform between SMEs and Melco, to help SMEs get to know Melco as a company, its management team and employees, as well as the Company’s operational requirements and standards, and for Melco to get to know Macau’s local suppliers, their businesses, services and offerings, and serve as a catalyst for the development of a sustainable Macau.
