We are confident that the exhibition will generate greater awareness among all colleagues to showcase the importance of the continued development of a harmonious society in which women and children can reach high and maximize their potential to contribute to the sustainable development of Macau and the Greater Bay Area."

As a celebratory gift to the Motherland for the China-Macao double anniversary, the exhibition honors and promotes self-esteem, self-confidence and self-reliance for Macau's women and children. We are grateful for Melco's help in sharing this message and encourage the Company's employees to seize opportunities brought about by the developments of Macau, the Greater Bay Area and China, not only in the past twenty years, but in the many years to come."
