as part of *Splendors of China* learning program**

**Macau, Wednesday, June 23, 2021** – Melco Resorts & Entertainment is committed to promoting Chinese cultural knowledge, history, economy and patriotism as part of its social responsibility. Forming part of a multitude of Melco’s initiatives for the 100<sup>th</sup> Anniversary of the Founding of the Communist Party of China, colleagues from the Melco management team today toured the large scale photo exhibition titled ‘100th Anniversary of the Founding of the Communist Party of China’ on its opening day. Hosted at Complex of Commerce and Trade Co-operation Platform for China and Portuguese-speaking Countries, the purpose of the tour is to strengthen colleagues’ national knowledge and identity and to gain a deeper understanding of important milestones accomplished by the Communist Party of China. A total of 300 Melco colleagues are scheduled to visit the exhibition in the coming weeks.

To commemorate the 100th Anniversary of the Founding of the Communist Party of China, the Information Office of the State Council of the People’s Republic of China, the Government of the Macau SAR of the People’s Republic of China, and the Liaison Office of the Central People’s Government in the Macao SAR are jointly hosting the large-scale photo exhibition. Featuring 298 classic photos, the exhibition is divided into four parts to form a comprehensive display of the centuries of struggle of the Chinese Communist Party through text and imagery.

**Mr. Raymond Lo, Senior Vice President, General Manager of Altira Macau & Mocha** said, “I am grateful for this opportunity to learn about the Communist Party of China’s accomplishments on its centennial celebrations through this thoughtfully curated photography exhibition. I look forward to participating in more of the company’s initiatives with my colleagues to learn about the important history of our Motherland.”

To support the 100<sup>th</sup> anniversary of the founding of the Communist Party of China, Melco has prioritized national education and developed a vast array of programs aimed towards instilling national pride through education and awareness. Exciting new initiatives for Melco’s 15,000 colleagues instilling a greater understanding of the Motherland include the *Melco Splendors of China Passport* – a curriculum comprising mandatory courses on Chinese culture, history, and idioms. Elective activities include visits to national exhibits and online courses on Chinese fine

arts and cultural education. Upon completion of the passport activities, colleagues will be eligible for entry to a prize draw for a free trip for Red Tourism sponsored by the company.

*Splendors of China* is Melco's nationalistic learning program launched in 2016 which focuses on China's cultural heritage, economic policies, social systems and values. The program creates deeper insight for Melco colleagues and the broader community into understanding Chinese culture and appreciating the achievements of Macau's mother country.
