Melco Shares Experience on Environmental Certification ISO14001 Standards and Trends in Green Management & Certification with Local SMEs

Macau, Wednesday, December 6, 2017 – Melco Resorts & Entertainment Limited (Nasdaq: MLCO) (“**Melco Resorts & Entertainment**”, “**Melco**” or the “**Company**”), a developer, owner and operator of gaming and entertainment resort facilities in Asia, is committed to supporting the development of local small and medium enterprises (SMEs). The Company held a workshop earlier for local SMEs from the operating supplies & equipment (OS&E) and Maintenance Services & Spare Parts industries, sharing with them ISO 14001 Standards and trends in Green Management & Certification.

21 local SMEs representatives participated in the workshop. They learned about the trends in Green Management & Certification and support services from a presentation given by Ms. Jenny Ho, Manager of Standards, Management, Training & Assessment, CPTTM; and Mr. Johnny Wong, Property Services Manager of Melco Resorts & Entertainment then briefed the group on Environmental Certification ISO14001 Standards and Melco’s experience in enhancing environmental management standards. The workshop allowed the participants to get the latest information and more understanding on how they could continuously improve the foundation of the environmental management for their future projects.

The workshop was concluded with a business networking session that allowed SME representatives to introduce their products and services to Melco’s Supply Chain Department.
